

Remote Deposit Capture Terms and Conditions

Introduction- How it Works

Using a mobile device with a camera and data service, you can deposit eligible checks into your eligible checking or savings accounts. You'll start by selecting an account, entering your check's information, and then submitting your check. After reviewing and submitting your deposit, you will receive a confirmation that your deposit has been submitted. You will not need to mail in your check or take it to a branch. Please do not destroy the check until at least five (5) business days after it has posted to your account. After your deposit has been accepted you can view it through Home Banking and Mobile Banking.

Endorsement Requirements

You agree to endorse all items with your signature. The credit union reserves the right to reject all items that are not endorsed as specified.

Deposit Limits

When using the Service to deposit funds such deposits are limited per business day and for a rolling 30-day period. Deposit limits may vary depending on factors such as the length of time your account has been open, membership is in good standing, and your transaction history.

Receipt of Items

We reserve the right to reject any item transmitted through this Service, at our discretion. We are not liable for items we do not receive or for images that are not transmitted completely.

Provisional Credit and Availability of Funds

Provisional credit may vary depending on factors such as the length of time your account has been open and your transaction history. Our general policy is to make funds from your deposits available to you on the same business day that we receive your deposit. In some cases, we will not make all of the funds that you deposit available to you on the same business day that we receive your deposit. Funds may not be available until the second business day after the day of your deposit.

- Up to \$200 of the check(s) will be available that day;
- Remaining funds of deposits (up to the deposit limits approved) will be available two business days from the day of approval.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays.

Credit given for the item is provisional and subject to final approval. Funds you deposit may be delayed for a longer period of time when we have reasonable cause to believe the check is uncollectable. We will notify you if we delay your ability to withdraw funds because we believe the check is uncollectable and we will tell you when funds will be available. You agree to receive all notification regarding your use of this service via electronic message. With respect to each item you send to LCCU for deposit, you agree to indemnify and reimburse LCCU for and hold LCCU harmless from and against any and all losses, costs, and expenses.

Method of Presentment

The manner in which items are cleared, presented for payment, and collected shall be in LCCU's sole discretion.

Retention and Disposal of Items

You agree to retain each item no fewer than 60 days after your funds have been posted to your account. Upon receipt of these funds, you agree to dispose of the item(s) in a way that prevents representing for payment. You agree to store each retained item in a secured manner until such proper disposal is performed. You will promptly provide any retained item to LCCU as requested to aid in the clearing and collection process or to resolve claims by third parties with respect to any item.

Errors or Discrepancies

Notify LCCU at 406-293-7771 as soon as possible, if you believe your statement is incorrect, or if you need more information about a transaction listed on the statement. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem appeared. If you do not notify us within 60 days from the date your statement was sent, you may not be compensated for any losses.
